

If Only We Could Rule...

**If I were king, it would be such fun,
I'd arrange treats for everyone.**

**If I were queen, I would strive to make sure,
There were houses for the homeless, food for the
poor.**

**If I were king, I'd say "Don't be a dork!
You can't eat pizza with a knife and fork."**

**If I were queen, I'd let everyone know,
If I saw a gun, that's the wrong way to go.**

**If I were king, I'd pass Morgan's law,
The McDonald's ice-cream machine would have no
flaw.**

**If I were queen, I'd declare straightaway,
Each Friday should be Giveaway Day.**

**If I were king, I'd pass a new act,
That all animals should have shelter and that's a
fact.**

**If I were queen, my command would say,
"If you throw down litter, you will have to pay!"**

**If I were king, I would definitely say,
That every week we'd have Friday Fun Day.**

**If I were queen, I'd make a decree,
Don't throw away plastic, instead plant a tree.**
